Bed Bug Home Owner Preparation Guide

The following items must be removed prior to The Bug Master's scheduled time of arrival for treatment. Please inspect the items for evidence of Bed Bugs and advise the technician should any evidence be found. If the Bug Master technician finds the home not properly prepared, he will advise you of the **charges to proceed** and bag the items or reschedule the service. A reschedule charge may apply.

- _____ **Remove all valuables.** Jewelry, Jewelry boxes, money, etc.
- _____ **Remove all personal effects.** Any item you would not want a stranger to handle.
- _____ **Remove all weapons and ammunition.** Must be removed or locked in a gun safe.
- _____ **All clothing and personal items removed from the floors and under bed.** Dirty clothes, toys, shoes, boxes, etc.

Should The Bug Master need to REMOVE CLOTHING AND PERSONAL ITEMS FROM FLOOR AND UNDER BED, there will be an additional charge of \$150.00 minimum.

ADDITION PREPARATION CHARGE? NO
 YES

The Bug Master

We will remove bed linens, and all other items from beds, drawers and closets if areas require treatment. Items will be placed in bags clearly marked to be **WASHED & DRIED.**

Laundry items should be washed according to garment instructions, then dried. Items should be placed in dryer and ran for 2 complete cycles. If items cannot be dried, items must be dry cleaned.
